

NCFE Level 2 Award in Occupational Studies for the Workplace – Willow designs

Adult

Join our creative craft Willow Weaving tutor Nicky Heal in the beautiful grounds of Bicton College

This course follows on from the Ncfe Creative Craft Willow Designs 4 week course. Having learnt the basic knowledge and skills required to create Willow Animals, this course will help develop your skills to create large scale designs. The learner will be able to identify and use various different materials, tools and equipment whilst creating a range of designs that will go towards a final portfolio. The learner will be able to produce a design brief and specification to detail the requirements of the design including size, material, scale, finishes and client details.
